Jets Gymnastics

Jets Gymnastics was established in 1991 and is today one of the largest most dynamic gymnastic centers in Australia. At Jets we truly love the sport of gymnastics and all our staff are committed to our vision of assisting every child to reach their full potential, building strength courage and determination in a fun and challenging atmosphere.

*"Striving to be the best we can
by bringing out the best in others"*

Gymnastics is the foundation for all movement, providing opportunities for participants to run, swing, jump, balance, roll, skip, somersault, bounce hop and flip. It requires strength, power, flexibility, agility, courage, determination, skill and finesse. Little wonder why gymnastics is so highly regarded by leading sports coaches and educationalists.
